Present: Adria Arch, Martina Tanga, Jane L. Howard, Jill Manca, Lorri Berenberg, Carry Slotnik, Alberto Guzman

- Carry had a question about venues to perform at with his singing group; doesn't seem like APA events would be appropriate
- March meeting minutes approved
- Discuss Art Rocks Spy Pond –
Bring new PA system, table with printed APA material, collection can for contributions, refreshments for opening, engage Friends of Spy Park, volunteers needed for installation dates and opening, start installation at 10:00 on May 2nd and 3rd (artists will manage the installation of their own piece), no posters allowed, "grave" markers for description of pieces, no tent this year
All pieces are available to the Town of Arlington for permanent placement; this would be a public process
- Discuss Youth Initiative –
- Discuss Transformer Box project
Artists chosen and briefed, Jill passed around portfolio of chosen sketches and map
- Discuss Chairful –
ATED's Arlington Alive event is NOT going to be held the same weekend as Chairful, as previously decided. How can we get community organizers to talk to each other?
